I'll Be There

Human Nature

You and I must make a pact
We must bring salvation back
Where there is love, I'll be there
I'll reach out my hand to you
I have faith in all you do
Just call my name and I'll be there
I'll be there to comfort you
Build my world of dreams around you
I'm so glad that I found you
I'll be there with a love so strong
I'll be your strength, I'll keep holding on
Yes I will, yes I will
Let me fill your heart with joy and laughter
Togetherness, well that's all I'm after
Whenever you need me, I'll be there
I'll be there to protect you
With an unselfish love that respects you
Just call my name and I'll be there
I'll be there to comfort you
Build my world of dreams around you
I'm so glad that I found you
I'll be there with a love so strong
I'll be your strength, so [Incomprehensible] keep holding on
Yeah, yeah, yeah, yeah
If you should ever find someone new
I hope he'd better be good to you
'Cos if he doesn't, then I'll be there
Don't you know, baby, yeah, yeah?
I'll be there, I'll be there
Just call my name, I'll be there
I'll be there, I'll be there
Just call my name, I'll be there
I'll be there, I'll be there
Just call my name, I'll be there
