

Love Ties

[Kim Mitchell](#)

If you have trouble saying hello
And it's double the trouble playing the role
Then double the trouble, say goodbyeSo you're into something that's tough to get out of
You go love ties in the middle of the soul
It's a very strong potionSo you're into something that's tough to get out of
You got love ties, devotion, devotion
It's a very strong potionIf love ties pull tight the heart
And you don't know how to stop
Then double the trouble, say goodbyeSo you're into something that's tough to get out of
You go love ties, in the middle of the soul
It's a very strong potionSo you're into something that's tough to get out of
You got love ties, devotion, devotion
It's a very strong potionSo you are into something that's tough to get out of
Like you Led Zep's 'Whole Lotta Love'
