Disciple

Things Left Unsaid

Drones since the dawn of time
Compelled to live your sheltered lives
Not once has anyone ever seen
Such a rise of pure hypocrisy
I'll instigate, I'll free your mind
I'll show you what I've known all this time
God hates us all, God hates us all
You know it's true God hates this place
You know it's true he hates this race
Homicide, suicide
Hate heals, you should try it sometime
Strive for peace with acts of war
The beauty of death we all adore
I have no faith distractin' me
I know why your prayers will never be answered
God hates us all, God hates us all
God hates us all, God hates us all
Yea, He fuckin' hates me
Pessimist, terrorist targeting the next mark
Global chaos feedin' on hysteria
Cut throat, slit your wrist, shoot you in the back, fair game
Drug abuse, self abuse, searchin' for the next high
Sounds a lot like hell is spreadin' all the time
I'm waitin' for the day the whole world fuckin' dies
I never said I wanted to be God's disciple
I'll never be the one to blindly follow
Man made virus infectin' the world
Self destruct human time bomb
What if there is no god, would you think the fuckin' same?
Wastin' your life in a leap of blind faith
Wake the fuck up, can't ignore what I say
I got my own philosophy
I hate everyone equally
You can't tear that out of me
No segregation, separation
Just me in my world of enemies
I never said I wanted to be God's disciple
I'll never be the one to blindly follow
I'll never be the one to bear the cross disciple

I reject this fuckin' race
I despise this fuckin' place
I reject this fuckin' race
I despise this fuckin' place
I reject this fuckin' race
I despise this fuckin' place
I reject this fuckin' race
I despise this fuckin' place
