Oh Carol

Baby Rasta Band

I've got to tell you, girl you're in danger
No one can save you now, you're going to be mine somehow
You didn't know me but to me you're no stranger
Saw you each day every week, I was too shy to speakLoved you long ago, I loved you even though
You never looked my way but now I've got to sayOh Carol, gotta make you mine
Carol, it'll work out fine
I know it's love, I know it's love for real
I know it's love, I know the way I feelCarol, you're my dream come true
Carol, when I look at you
Carol, say you'll never go
Carol, now I need you soCarol when I hold you tight
I don't want to say goodnightCan't you feel it? It's all around you
Reach out and take it all, don't be afraid to fall
Don't want to lose you, now that I've found you
I'll always be around, I'll never let you downI loved you long ago, I loved you even though
You never looked my way but now I've got to sayOh Carol, gotta make you mine
Carol, it'll work out fine
I know it's love, I know it's love for real
I know it's love, I know the way I feelCarol, you're my dream come true
Carol, when I look at you
Carol, say you'll never go
Carol, now I need you soCarol when I hold you tight
I don't want to say goodnightOh Carol, gotta make you mine
Carol, it'll work out fine
I know it's love, I know it's love for real
I know it's love, I know the way I feelCarol, you're my dream come true
Carol, when I look at you
Carol, say you'll never go
Carol, now I need you soOh Carol, gotta make you mine
Carol, it'll work out fine
I know it's love, I know it's love for real
I know it's love, I know the way I feelCarol, you're my dream come true
Carol, when I look at you
Carol, say you'll never go
Carol, now I need you soOh Carol, gotta make you mine
Carol, it'll work out fine
I know it's love, I know it's love for real
I know it's love, I know the way I feelCarol, you're my dream come true
Carol, when I look at you

Carol, say you'll never go
Carol, now I need you so
