

You Are Woman (Feat. Sydney Chaplin)

Barbra Streisand

Time and again I long for adventure
Something to make my heart beat the faster
What did I long for I never really knew
Finding your love I found my adventure
Touching your hand my heart beats the faster All that I want in all of this world
As you are the promised kiss of springtime
That makes the lonely winter seem long
You are the breathless hush of evening
That trembles on the brink
Of a lovely song You are the angel glow that lights a star
The dearest things I've known are what you are
Someday my happy arms will hold
And someday I'll know that moment divine
When all the things you are, are mine Dah-dah-dah
