The Horn

Super Furry Animals

Go, go with the flow
Rock, rock the freeway
Drink, smoke, love enjoy the rideRight or wrong, hair down long
We vote her out
Nationwide screams and shoutsGo, go with the flow
Rock, rock the freeway
Billions of bees feed on honey treesJoin the core, add some more
You choose the place
Final resting place, we're face to faceTwinkle twinkle rain and cars
Twinkle twinkle city arms
Twinkle twinkle rain and cars
Twinkle twinkle city armsGo, go with the flow
Rock, rock the freeway
Go, go with the flow
