

International Dateline

Ladytron

Woke up in the evening
To the sound of the screaming
Through walls that were bleeding
All over meUntied and weightless
Unconscious as we cross
The international dateline
Let's end it hereGrown tired of the show coast
And the ones that we toast
There are no zeros
Around hereUntied and weightless
Unconscious as we cross
The international dateline
Let's end it hereLet's end it here
Let's end it here
Let's leave her here
Let's end it hereWoke up in the evening
To the sound of the screaming
Through walls that were bleeding
All over meUntied and weightless
Unconscious as we cross
The international dateline
Let's end it hereLet's end it here
Let's end it here
Let's leave her here
Let's leave her hereLet's end it here
Let's end it here
Let's leave her here
Let's leave her here
