Advisory - the following lyrics contain explicit language:

Sitting with the thinker
Trying to work it out
It's a traffic jam of the brain
Makes you want to scream and shout Presidential party
No one wants to dance
Looking for a new star
To put you in a trance Let's go all the way
Let's go all the way
Yeah yeah yeah yeah yeah
Let's go all the way Workin' in a factory
Eight days a week
Try to make dollar
Damn what a beat Cartoon capers
Happen in reality
Rich man poor man
Livin' in fantasy Let's go all the way
Let's go all the way
Let's go all the way Yeah yeah yeah Livin' in New York
Looks like an apple core
(Apple core)
Asphalt Jungle
Got to be a man of war California dreamers
Sinkin' in the sand
(The sand, the sand)
The Hollywood Squares are
Living in Disney Land Let's go all the way
(Let's go all the way)
