Make these moments once again comfort
So won't you, won't you, mmm
Do it for us, babe Good lovin', body rockin' all night long, yeah
Makin' love until we tire to the break of dawn
But oh, come on, come on and turn the lights down, and let me get on it, yeah
'Cause when I do, just me and you, it'll be so right A-give me some good love
(Somebody rockin' knockin' da boots)
