

# Alone Tonight

Kiros

I know UR not right for me  
UR not who U claim 2 B  
Right now, I don't care  
Cause it won't get us anywhere  
And I like just what I see  
I don't wanna B alone 2night  
I don't wanna B alone 2night  
I am givin' in without a fight  
'Cause I don't wanna B alone 2night

U know what U gotta say  
How 2 take my breathe away  
Don't ask how I feel  
It's so good it can't B real  
But you can't win if U don't play  
I don't wanna B alone 2night  
I don't wanna B alone 2night  
I am givin' in without a fight  
'Cause I don't wanna B alone 2 night
