

Nothing Without You

[Olly Murs](#)

I pretend I'm a happy, lying man
But it's easy to learn when I don't understand
Never thought I'd be running back so soon
But I don't believe in nothing without you
There is a part of me hoping there's a chance
That you look in these eyes and hold these hands
I don't care about finding someone new
'Cause I don't believe in nothing without you
Thought I had nothing to lose
Thought I had nothing to prove to you
And I wasted all this time, I'm sorry
Funny only now I know it's true
Baby, I got nothing without you
Since you left I'm a cartoon, of myself
I'm a mess, I'm a joke, I'm someone else
I keep telling this story like it's bad news
'Cause I don't believe in nothing without you
Oh, thought I had nothing to lose
Thought I had nothing to prove to you
And I wasted all this time, I'm sorry
Funny only now I know it's true
Baby, I got nothing without you
I know that I'm a gamble
I know that it's a long shot
Oh, oh, oh, oh, oh
I do everything I can do
'Cause you're everything that I got, I got
Thought I had nothing to lose
I thought I had nothing to prove to you
And I wasted all this time, I'm sorry
Funny only now I know it's true
Baby, I got nothing without you
Nana, nanananana, nana, nanananana
And I wasted all this time I'm sorry
Funny only now I know it's true
Baby, I got nothing without you
