

# Half of My Mistakes (Acoustic Version)

[Radney Foster](#)

Half of my mistakes I've made stone cold sober  
Half of my mistakes Ive made at closing time  
Half the time I never saw it coming until it was over  
Oh, and half of my mistakes Ive made with love on the line  
Half of my mistakes I swear I should've known better  
Half of my mistakes were just amongst friends  
You get a little distance on it, the truth is clearer  
Oh, and half of my mistakes Id probably make em again  
If I had it all to do over  
Im sure Id win and lose just as much  
Spend a lot less time on right and wrong  
And a lot more time on love  
Half of my mistakes Ive made cause I was moving too quickly  
Half of them were made cause my heart was moving too slow  
Nobody can tell you a damn thing if you aint listening  
Oh, and half of my mistakes Ive made cause I couldnt let go  
If I had it all to do over  
Im sure Id win and lose just as much  
Spend a lot less time on right and wrong  
And a lot more time on love  
Half of my mistakes Id give anything to change how it ended  
Oh, and half of my mistakes God, I wouldnt change one thing  
You can lean too hard on a prayer but I dont recommend it  
Cause half the good things in my life came from half of my mistakes  
Yeah, a lot of good things in my life came from half of my mistakes
