

# Angels Fall

## Agony in the Garden

Tonight someone will die  
All alone  
Tonight someone will fall  
All alone  
They've fallen from the sky  
Will you cry  
Wonder whyWhen it rains  
Phoenix fall down on me  
I rise from the ashes  
When angels fall down  
When it rains  
Phoenix fall down on me  
As they all fall down  
When it rains phoenix fall down on me  
As they all fall downSo I call  
Time to pick them up  
Least they fall  
The skies are full enough  
Take them back  
Not time to go home yet  
Don't let go  
If you love  
They will liveWhen it rains  
Phoenix fall down on me  
I rise from the ashes  
When angels fall down  
When it rains  
Phoenix fall down on me  
As they all fall down  
When it rains phoenix fall down on me  
As they all fall downFrom the wings of angels  
From the wings, from the wings, from the wings  
From the wings of angels I will fly  
Find the strength to carry on  
On the arms of angels I will fall  
My heart breaks and bleeds  
On the wings of angels I will fly  
See the writing on the wall  
From the arms of angels I will fall

My heart breaks and bleeds  
When it rains  
Phoenix fall down on me  
I rise from the ashes  
When angels fall down  
When it rains  
Phoenix fall down on me  
As they all fall down  
When it rains phoenix fall down on me  
As they all fall down
