

Clairvoyance

Robert Kramer

I don't wanna be another heartache
I don't wanna be the one that hurts you
I don't want you to be one more target
Truth and honesty are not my virtues
Everybody else I know would tell you
I would never be the salve for your heart
What you're hearing now you'd better listen
Cos' I'm leaving you the clues
For your navigational chart I am the bane of your existence
I am the battles never fought
I'm everything you never conquered
In your soul
I'm what your teachers never taught Well, my soul is talkin' tryin' to tell you
I will get you to believe what I say
There will never be a future for us
Only suffering and pain comes your way
There's a lot of what I am inside you
And I'll leave it up to you to find it now
Cos your ignorance could lead to wisdom
If you'd only learn to get behind it now I am the needle in your compass
To lead you far away from me
Just remember there are none so blind
As those who just refuse to see
