

Brave New Girl (Arturo C's Atlas Remix)

Britney Spears

She's gonna pack her bags
She's gonna find her way
She's gonna get right out of this
She don't want New York
She don't want L.A. She's gonna find that special kiss
She don't want no sleep
She don't want no high
Oh, like peaches 'n' cream She's gonna wish on stars and touch the sky
Ah, you know what I mean She wants a good time
No need to rewind
She needs to really really find what she wants
She lands on both feet
Won't take a back seat
There's a brave new girl
And she's comin' out tonight She's gonna step outside
Uncover her eyes
Who knew she could feel so alive
Her M.O.'s changed
She don't wanna behave
Ain't it good to be a brave girl tonight Tonight, it's alright
A brave girl tonight So she met this man
He was kinda rough
He said, girl, what you lookin' for
She said, I don't know I go with the flow
He said, let's get on the floor
He said, you look real cute with your low ride jeans
And your pink little baby tee Let's get a room, girl
Come and ride with me She wants a good time
No need to rewind
She needs to really really find what she wants
She lands on both feet Won't take a back seat
There's a brave new girl
And she's coming out tonight She's gonna step outside
Uncover her eyes
Who knew she could feel so alive
Her M.O.'s changed
She don't wanna behave
Ain't it good to be a brave girl tonight Tonight, it's alright
A brave girl tonight

Tonight, it's alright
A brave new girl tonightKeep onShe's gonna step outside
Uncover her eyes
Who knew she could feel so alive
Her M.O.'s changedShe don't wanna behave
Ain't it good to be a brave girl tonight
Tonight it's alright
A brave girl tonightTonight, it's alright
A brave girl tonight
A brave girl tonight
A brave girl tonight
