

Nobodies Business (Ft. Chris Brown) (Snippet)

Rihanna

You'll always be mine, sing it to the world
Always be my boy, i'll always be your girl
Nobody's business, ain't nobody's business
Ain't nobody's business, but mine, and my baby
Mine, and my baby, but mine, and my baby
But mine, and my baby, ooohI love I love I love you baby
I love I love I love you babyMe and you, get it?
Ain't nobody's business

Said it, ain't nobody's businessYour love is perfection, please point me in the right direction

I'mma give you all my affection
Every touch becomes infectious
Let's make out in this Lexus

There's no other love just like this

A life with you I want, then can we become love's personaYou'll always be the one that I wanna come home to

Boy let me love you and show you how special you are

I wanna be your baby, you'll always be my baby
Tell me what you want nowLet's sing it to the world

Baby give me time

I'mma be your girl

I wanna make you mine

And it ain't nobody's business

It ain't nobody's business

It ain't nobody's business

It ain't nobody's business

Just mine, and my babyYour love is perfection, please point me in the right direction

I'mma give you all my affection

Every touch becomes infectious

Let's make out in this Lexus

There's no other love just like this

A life with you I want, then can we become love's personaYou'll always be the one that I wanna come home to

Girl let me love you and show you how special you are

I wanna be your baby, you'll always be my baby

Tell me what you want nowSing it to the world

Baby give me some

You gon' my girl

I wanna make you mine

And it ain't nobody's business

It ain't nobody's business

It ain't nobody's business

It ain't nobody's business
Just mine, and my babyAin't nobody's business
Said it, ain't nobody's business
It ain't nobody's business
It ain't nobody's businessYou'll always be mine, sing it to the world
Always be my boy, always be my girl
Nobody's business, ain't nobody's business
Ain't nobody's business, ain't nobody's business
But mine and my baby
