

# Maniac

G.B.H.

He'll be buzzing in your head, when you're long gone.  
Fever burning, stomach churning he can take you on. Maniac, he's a maniac and he's on the loose. A wild eyed  
maniac seeks you out, he wanted some revenge.  
A man obsessed, a man possessed he'll get you in the end. He can read all your thoughts so don't run for cover.  
There's aftermath in his path, he's gonna maim another.
