# Never Is a Moment

## Jimmy LaFave

In the vastness of this world
Baby, you are so unique
From your pouty little mouth
To your pretty little peaks
From your head down to your toes,
You are beautiful divine
And there never is a moment
That you are not on my mind
Circumstance cast our fate
Maybe wrong, maybe right
Though you're dreams and miles away
I try to reach you through this night
If you hear music in the wind
I hope my melody you'll find
Because there never is a moment
That you are not on my mind
