

Lovelight

Robbie Williams

What am I supposed to do to keep from going under?
Now you're making holes in my heart, and yes, it's starting to show
I've been holding back, is it any wonder
Since you walked right into my life and interrupted the flow
I wanna know, baby when you're with me
Who do you think you're foolin', making me feel so sure?
Turnin' your lovelight down again, why don't you let me be?
You don't know what you're doin', making me feel so sure
And turnin' your lovelight down again
Did it again, did it again
Baby I've got to know are we gonna make it?
Lay it down beside me tonight and do whatever you feel
Baby you're in control, where you gonna take it?
Don't you think that I'll do you right you know darn well that I will
I wanna know, baby when you're with me
Who do you think you're foolin', making me feel so sure?
Turnin' your lovelight down again, why don't you let me be?
You don't know what you're doin', making me feel so sure
And turnin' your lovelight down again
Do it again, do it again
Do it again, do it again
Baby you turn your lovelight down
And I don't know just how long I can stick around
Gonna need more, and it ain't just physical
I don't know what I can do, if I found it ain't love this time around
Keep turning down your lovelight, did it again
Keep turning down your lovelight, did it again
Keep turning down your lovelight, did it again
Keep turning down your lovelight, did it again
Whenever you, baby when you're with me
Who do you think you're foolin', making me feel so sure?
Turnin' your lovelight down again, why don't you let me be?
You don't know what you're doin', making me feel so sure
And turnin' your lovelight down again
Baby when you're with me
Who do you think you're foolin', making me feel so sure?
Turnin' your lovelight down again, why don't you let me be?
You don't know what you're doin', making me feel so sure
And turnin' your lovelight down again

Baby when you're with me
Who do you think you're foolin', making me feel so sure?
Turnin' your lovelight down again, why don't you let me be?
You don't know what you're doin', making me feel so sure
And turnin' your lovelight down again
Baby when you're with me
Who do you think you're foolin', making me feel so sure?
Turnin' your lovelight down again, why don't you let me be?
You don't know what you're doin', making me feel so sure
And turnin' your lovelight down again
