

# I Don't Want to Live Without You

## Foreigner

I find myself in a strange situation and I don't know how  
What seemed to be an infatuation is so different now.

I can't get by if we're not together

ooh

can't you see?

Girl

I want you now and forever close to me. I'm longing for the time

I'm longing for the day  
Hoping that you will promise to be mine and never go away. I don't wanna live without  
you

don't wanna live without you  
I could never live without you

live without your love. I asked myself but there's no explanation for the way I feel  
I know I've reached the right  
destination and I know it's real.

I'm longing for the time

I'm longing for the day  
When I'll be giving you  
this heart of mine

believe me when I say: I don't wanna live without

I don't wanna live without you

...

No

I don't wanna live without you

I don't wanna live without you

...Now

I don't wanna live without you

I don't wanna live without you  
I could never be without you  
be without your love.

I don't wanna live without you

live without your love  
Live without your love

live without your love  
You see I'm lost without your love.
