Nobody Like You

Ryan Beatty

I knew right from the start
That you would have my heart
So now it's here in your hands
You got me in a daze
So caught up in your ways
I can't believe what I amAnd sometimes you drive me crazy
Know that it don't faze me
Cause baby I ain't going nowhereI just wanna love you
Place no one above you
Ain't nobody do it like you
I just can't control it
Girl just let me show it
Ain't nobody do it like youThere's something bout your style
The way you walk, the way you smile
Keeps me coming right back to you (yeah)
No make-up I don't care
Don't have to do your hair
You're still the best in the roomSo forget them other girls
There ain't nothing in this world
That keeps me coming right back to youI'm just gonna love you
Place no one above you
Ain't nobody do it like you
I just can't control it
Girl just let me show it
Ain't nobody do it like youDa da da da daa da da da da daa I- (yeah)
Uumm yeahSee I just wanna love you
Place no one above you
Ain't nobody do it like you
I just can't control it
Girl just let me show it
Ain't nobody do it like youI just wanna love you
Place no one above you
Ain't nobody do it like you
yeah
