

# Gigolo

## Helena Papparizou

Hey Papi, Hey Papi  
I'm not your average bimbo,  
lost in limbo  
Hey Papi, you can't catch me  
cause I'm the bomb diggi diggi  
bomb diggi diggi, ah You're not my kind  
Got no time  
For a fake romancer  
Now there's your answer Why, why?  
Deep stares gonna get you nowhere  
Why, why?  
Cheap talk wins no heart REF:  
What you wanna know?  
Papi, eh Papi, oh  
Oops I bet you wouldn't mind, gigolo  
Better run along  
Carry on with the show  
Cause real ladies don't go for gigolos What you wanna know?  
Papi, eh Papi, oh  
Oops you're running out of time, gigolo  
Something, or nothing  
That's not what you get though  
You better slow your roll, Papi oh Hey Papi, Hey Papi  
You better keep your hands off  
Look but don't touch  
Hey Papi, you can't have me  
cause I'm the bomb diggi diggi  
bomb diggi diggi, ah Tricks and traps  
this and that  
will never spark my interest  
have me impressed Why, why?  
It takes more to allure a lady  
Why, why?  
It takes a lot to get what I got REF Why, why?  
Cheap stares gonna get you nowhere  
Why, why?  
Cheap talk wins no heart REF You drop the ball  
I don't fall that easily  
Yeah, yeah

Tricks and traps  
No, I don't fall for that  
Hate to say but,  
You hit the wall  
I don't fall that easily  
Yeah, yeah  
Get off my back  
Cause I don't fall for that  
And I won't fall for you
