The Nixons

The light from another time is tonight a reflection
On a pool somewhere calling for love
And just when it seems she might be smitten
The clouds move in the song is doneShe said don't be afraid
It's gonna be alright
And I swear you'll have the time of your lifeA voice like a sign or a coming attraction
The plot is laid it centers on you
And just when it seems you're feeling the moment
You move for an outside point of viewShe said don't be ashamed
You're doing fine
And I swear you'll have the time of your lifeOh God I guess everything's OK
Oh God I guess everything's OK
OKShe said don't be afraid
It's gonna be alright
And I swear you'll have the time of your life
I swear you'll have the time of your life
