Happy New Year

Abba

No more champagne And the fireworks are through Here we are, me and you Feeling lost and feeling blueIt's the end of the party And the morning seems so gray So unlike yesterday Nows the time for us to sayHappy new year, happy new year May we all have a vision now and then Of a world where every neighbor is a friend Happy new year, happy new year May we all have our hopes, our will to try If we don't we might as well lay down and die You and ISometimes I see How the brave new world arrives And I see how it thrives In the ashes of our livesOh yes, man is a fool And he thinks he'll be okay Dragging on, feet of clay Never knowing he's astray Keeps on going anywayHappy new year, happy new year May we all have a vision now and then Of a world where every neighbor is a friend Happy new year, happy new year May we all have our hopes, our will to try If we don't we might as well lay down and die You and ISeems to me now That the dreams we had before Are all dead, nothing more Than confetti on the floorIt's the end of a decade In another ten years time Who can say what we'll find What lies waiting down the line In the end of eighty-nineHappy new year, happy new year May we all have a vision now and then Of a world where every neighbor is a friend Happy new year, happy new year May we all have our hopes, our will to try If we don't we might as well lay down and die You and I
