## Butthole Surfers

Ten, Ten years,  
Ten years too young to die  
Too many times I tried to talk  
You still don't understand  
Too many times you tried to say  
I'm not your kind of man  
Still it's time for me to come  
I really want to know  
Is it time for me to come  
Or time for me to go Sunday morning got to settle down  
Got to get my feet back on the ground Ten, ten years,  
Ten years too young to die  
Ten, nine, eight, a-seven, six  
Too many times you tried to talk,  
I still don't understand  
Too many times you tried to say  
I'm not your kind of man  
Still it's time for me to come  
I really want to know  
Is it time for me to stay  
Or time for me to go Someday, Monday got to settle down  
Got to get my feet back on the ground  
Thursday, Friday, got nothing to show  
Got to be this punk I just don't know
