Killer

Graham Bonnet

Say Jerry Lee everyone asking
Why you do the things you do
But it's clear to me, it's just as natural as breathing
You can give an answer, to please the fools
If it makes them fell better
Don't beat it down
Don't kick the killer
Is it hitting home? Like a steel drivin' hammer
Where was your mind as you were loading your gun
For taking down the king
Microscope minds look on and question your sanity
Look to me this mirror
See you, see me
We're driving them crazy
Don't beat it down
Don't kick the killer
Is it getting home? Like a steel drivin' hammer
