

# I Know

Dionne Farris

I know what you're doing yeah yeah  
I know why you dialed my number  
I know what you're doing yeah yeah  
I know why you care I know what you're doing yeah yeah  
I know why you say you love me  
I know what you're doing yeah yeah  
And I don't think it's fair I know why you dialed my number  
I know why you say you're mine  
I know what you're doing, And it's not, gonna work, this time  
And it's not, gonna work, this time I know what you're doing yeah yeah  
I can never sing in that key  
I know what you're doing yeah yeah  
And you're the one to blame I know what you're doing yeah yeah  
I know why you can't forgive me  
I know why you're singing lost love  
The lyrics haven't changed I can recognize the symptoms  
You should know I've changed my mind  
I know what you're doing  
And it's not, gonna work this time  
Hey hey hey, said it's not gonna work this time I know what you're doing, baby  
I know why you call my name  
I know why you say you love me  
But I can't say the same
