

Emily

Bowling for Soup

It wasn't supposed to be like this, another dose of unhappiness
I gave it all and managed to get shot down yet again
So I got drunk, had sex with all your friends
You told me that I should never call your house againEmily, Emily oh, you saved the day
Emily, Emily oh, when you threw me awayShe was always such a pretty girl, nobody like her in the world
A little piece of heavenly that no one else could stand
I see her in my dreams at night, I see you when I close my eyes
I just can't seem to shake, EmilyYou got your money and I got cast outside thrown out on my ass
In the city with no one else, no where else to go
So then I hooked up, with a model from Singapore
Emily I sure am glad that you didn't want me anymoreEmily, Emily oh, you saved the day
Emily, Emily oh, when you threw me awayShe was always such a pretty girl, nobody like her in the world
A little piece of heavenly that no one else could stand
I see her in my dreams at night, I see you when I close my eyes
I just can't seem to shake, Emily, EmilyShe was always such a pretty girl, nobody like her in the world
A little piece of heavenly that no one else could stand
See her in my dreams at night, I see her when I close my eyes
I just can't seem to shake, Emily, yeahEmily, Emily oh, you saved the day
Emily, Emily oh, you saved the dayEmily, Emily oh
Emily, Emily oh, you saved my ass
