

# Breaking the law

## Headstone Epitaph

[No comment!]There I was completely wasting,

Out of work and down

All inside it's so frustrating

As I drift from town to town

Feel as though nobody cares

If I live or die

So I might as well begin

To put some action in my lifeBreaking the law, breaking the law

Breaking the law, breaking the law

Breaking the law, breaking the law

Breaking the law, breaking the lawSo much for the golden future,

I can't even start

I've had every promise broken,

There's anger in my heart

You don't know what it's like,

You don't have a clue

If you did you'd find yourselves

Doing the same thing tooBreaking the law, breaking the law

Breaking the law, breaking the law

Breaking the law, breaking the law

Breaking the law, breaking the lawYou don't know what it's like.....Breaking the law, breaking the law

Breaking the law, breaking the law

Breaking the law, breaking the law

Breaking the law, breaking the law
