

Clap

MattyB

(Verse One)

You want a slow song | Mr. Nice Guy
I ain't all that | I'm just super fly
Where my shades at | Lights is too bright
You can be the star | I'mma be the night sky
They say I'm too young | For my silver tongue
Like creating a monster | What have I done?
You think it's over? Like Kobe I bounce back
When I rap that | I'mma make 'em clap back(Pre Chorus)

Let the beat build | You ain't gotta dance
I'm just tired of everybody sitting on their hands
Bend your elbows | look around the room then stop

Now make your hands clap(Chorus)
Clap, clap, clap, clap, clap, clap, clap, clap
Clap, clap, clap, clap, clap
Make your hands clap

Clap, clap, clap, clap, clap, clap, clap, clap
Clap, clap, clap, clap, clap
Make your hands clap

(repeat)(Verse Two)

Ready for round two | This ain't a sequel
Like a movement of all the people
Colorful faces | You already know
I'm just trying to put the music back in your soul
I'm just trying to shake up the routine
The new hotness lighting up the big screen
Type of rhythm (to) make ya move like you're supposed to
I thought I told you | You know how we gonna do(Pre Chorus)

Let the beat build | You ain't gotta dance
I'm just tired of everybody sitting on their hands
Bend your elbows, look around the room then stop

Now make your hands clap(Chorus)
Clap, clap, clap, clap, clap, clap, clap, clap
Clap, clap, clap, clap, clap
Make your hands clap

Clap, clap, clap, clap, clap, clap, clap, clap
Clap, clap, clap, clap, clap
Make your hands clap

(repeat)(Bridge)

C's for the way we clap, we clap proud and
L's for the way we do it, we do it loud and
A's for the Aye | The P? Participate
I just wanna see you do what we moving to everyday
Wave your hands in the air clap clap
I'll do it once and then you clap back
So where you at? | Clap back
Everybody in the room make ya hands clap(break)(Chorus)
Clap, clap, clap, clap, clap, clap, clap, clap
Clap, clap, clap, clap, clap
Make your hands clap
Clap, clap, clap, clap, clap, clap, clap, clap
Clap, clap, clap, clap, clap
Make your hands clap
(repeat)(Outro)
Make your hands clap (x4)
