Ananda's Theme

Earthling

I'm on the end of it
I pretend a bit
To be a misfit
So simplistic
Spend my days voyeuristic
It ain't real
Premeditated for the feel
I'm a plastic thief with no belief in what I steal
I starve myself and of course
It's just a sea of hungerI want it and I want more
I want it and I want moreI saw the empty frame
Just hanging down my wall
Dehydrated screams be coming from the hall
Someone's accupuncturing themselves
With insecurityI want it and I want more
I want it and I want more
I want it and I want more
I want it and I want moreI'm on the end of it
I pretend a bit
To be a misfit
So simplistic
Spend my days voyeuristic
It ain't real
Premeditated for the feel
I'm a plastic thief with no belief in what I steal
I starve myself and of course
It's just a sea of hungerI want it and I want more
I want it and I want more
I want it and I want more
I want it and I want more
