Your whole life's been building up this moment

Your whole life's been building up to this day

Every dream that moved you

Every scarm improved you

Every voice around you

Tells you to believe

CHORUS:

You can take it to the top

And you're never gonna stop

In it to win it

O oh o o o oh oh oh

Oh oh oh

Take it to the top

\*orgasm part\*

The stage is yours to show the world what you're made of

This is where you rise and reach for the sky

Nothing gonna stop you

Here because you saw through

Anything to keep you

From what you believe

CHORUS:

You can take it to the top

And you're never gonna stop

In it to win it

O oh o o o oh oh oh

Oh oh oh

Take it to the top

\*orgasm part\*
