American Way

Circle Jerks

I'm living in the USA and I don't care
For the buy it, package it, sell it
Make it shine make it shineYou'll get a bigger piece of the market share
If you wave the American flag
It's the spirit of the dollar not the USA
It's a sign of the timesDon't you get me wrong, it's a
Wonderful place to live
We got freedom we got rights
Friday night fightsI'm living in the USA and I won't swear
On that bible pushing selling
Good old boy good old boyTry to tell us all
What's good for our children
Put prayer back in the school
Make it right make it rightHe can take the food
Right out of your mouth
Its OK your buying salvation
Fly that Lear Jet across the nationI'm living in the USA and I don't care
Buy it, sell it, commercialize it
On my prime timeCelebrate the reconstruction
Of the statue of liberty
Sell your beer, soft drinks and cars
That's the American wayThey can justify anything they do
It's alright, as long as their waving
The red white and blue
