Souk Eye

Gorillaz

[Verse 1: 2-D]
Anyway you still complicate it for me, twilight
Waiting on the planet to turn to me, dark side
If loving you's a felony now, then I'm a renegade - I'm
Right here
Trying to find tomorrow and ease in
'Til you dive in[Verse 2: 2-D]
Why you rolling waves over me now, that's all I need
Dreaming
Waiting on a way to come find me, be forgiven
I'll be a regular guy for you, I never said I'd do that
Why do you look so beautiful to me, when you're so sad?
[Chorus]
I will always think about you
That's why I'm calling you back
On my way through[Instrumental][Verse 3: 2-D]
I wanna stay with you for a long time, I wanna be your star, love
I wanna see the light in your eyes when I'm leaving with
Your love
[Chorus]
I will always think about you
That's why I'm calling you back
I gotta run soon[Instrumental/Outro]
