

# Pitseleh

**Elliott Smith**

I'll tell you why I don't want to know where you are  
I got a joke I been dying to tell you  
A silent kid is looking down the barrel  
To make the noise that I kept so quiet  
Kept it from you, Pitseleh  
I'm not what's missing from your life now  
I could never be the puzzle pieces  
They say that God makes problems  
Just to see what you can stand  
Before you do as the devil pleases

Give up the thing you love  
No one deserves it  
The first time I saw you  
I knew it would never last  
I'm not half what I wish I was  
I'm so angry, I don't think it'll ever pass  
And I was bad news for you, just because  
I never meant to hurt you
