

Venus

The Ventures

Hey, Venus, oh, Venus
Venus, if you will
Please send a little girl for me to thrill
A girl who wants my kisses and my arms
A girl with all the charms of you Venus, make her fair
A lovely girl with sunlight in her hair
And take the brightest stars up in the skies
And place them in her eyes for me Venus, goddess of love that you are
Surely the things I ask
Can't be too great a task Venus, if you do
I promise that I always will be true
I'll give her all the love I have to give
As long as we both shall live Venus, goddess of love that you are
Surely the things I ask
Can't be too great a task Venus, if you do
I promise that I always will be true
I'll give her all the love I have to give
As long as we both shall live Hey, Venus, oh, Venus
Make my wish come true
