

A Safe Place

Breed 77

Hiding In
Hide Inside Myself
And I Trust Nobody Else
Farther From
The Truth , The Lies , The Open Skies
Truth The Skies Are OpenWaiting , Watching , Asking
Fallen , Deeper , Hiding
HidingFallen In
In A Hole I Dug Myself
Ain't No Room For No One Else
Farther From
The Sun Don't Shine On My Head
The Sun Don't Shine But I CanNow The Sun Ain't Gonna Shine
Anymore
