

Menace

Roy Woods

I don't wanna be the menace
I don't wanna be the menace to fuck up your mind again
I don't wanna be the menace
I don't wanna be the menace
I don't wanna be the menace
I don't wanna be the menace to fuck up your mind again Yea, I told you before I knew it
Girl I was being foolish
I knew that I shouldn't have done it but I did it two times again
Sorry, I know that you do not want to call me
(you don't wanna give me your bell)
And I understand it
Can I speak some spanish 'te amo' my darling babe
So what, if I pour it in my cup
That I roll a purple cause
Right now I'm not feeling good
So I rolls to my hood
South south south sides here for life
You understand that alright
I don't wanna be the menace
I don't wanna be the menace
I don't wanna be the menace to fuck up your mind again
Oh, I don't wanna be the menace
Oh, I don't wanna be the menace
I don't wanna be the menace to fuck up your mind again
Your mind again, your mind again I been, too gone, too long, so long
My mom's, been so, worried for so long
Praying, on these, I know why I've
Been feeling like this, I need to talk
(I need to talk)
I need to walk, away now, from you girl, these problems
I can't have em I can't solve em
Feel like I should pull out the revolver
It's fuck town feeling suicidal
Maybe I should reach for the bible
I'm still my only bible
I don't wanna be the menace
Girl I don't wanna be the menace
I don't wanna be the menace to fuck up your mind again oh
I don't wanna be the menace

I don't wanna be the menace
I don't wanna be the menace to fuck up your mind again
There, here, here, oh utu
Back then I was able to, hit her up like, what are you saying tho,
She said I'm coolin' baby, come through maybe, by come through baby
Keep it with a nigga, come on my louder, you grab woods we smokin' about a hour
Sex in the shower ain't come out for hours
Sex, sex, sex and then the city, yeah
