

# Fireman

## Babyshambles

Down the made orange  
With the pimps and the peddlers  
Looking like Colombo  
Feeling like Holmes the Meddler

It's breakfast time  
Have a pot of wine  
Sucking on a bone  
Chewing on a microphone

I am a fireman  
I live in a Lisbon bus shelter  
I am the fireman  
Satan's little helper

All the Brits abroad  
Looking for an easy score  
Talk about North Korea  
And think about your career

I am a fireman  
I live in a Lisbon bus shelter  
I am the fireman  
Says I am a fireman  
I am a fireman  
At the fireman's convention  
In Buenos Aires  
Says I am a fireman  
I am the fireman
