

Bird Song

M.I.A.

[M.I.A]

I'm a parrot

(I'm robin this joint...!)

Not a lyre bird

Sure ain't a vulture

Don't swallow that cause I make the culture

I'm not a lyre bird

Staying rich like an ostrich...Free up my love

Free up my love

Free up my love

Staying rich like an ostrichDrop down get your eagle on

Like a falcon

Fly phenomena

Humming higher than a drone

Doves cry

Are you going home alone

Squad flock

Migrate for the summer

Duck out for some hot weather

Birds of prey and I'm shaking off my feather

I believe like R. Kelly we can fly

But toucan fly together

Staying rich like an ostrichFree up my love

Free up my love

Free up my love

Staying rich like an ostrichNow watch the sky

Is that a crow on a crain?

Is that you or a plane?

Where's your chicken at?

I'm watching like a hawk

I need more birds!

Gully like a seagull

Gully like a seagull

I'm coo coo for you let's talk!Free up my love

Free up my love

Free up my love

Staying rich like an ostrichMy love comes in silence(Through ideals and violence...!)
