

Goodbye Back

Justin Moore

If this ol' truck was a time machine
I'd punch that gas to the night that we were
In the drive at your parents' place
And I was wipin' those tears rollin' down your face
I'd have bit my tongue and took a deep breath
Held onto it 'til my face turned red
But foolish pride played it's part
Can we go back, babe, and make a new start
I want, I want, I want my goodbye back
I don't, I don't, I don't know why I said that
Whoa, whoa, why'd I let you go
You won't, you won't, you won't get out of my head
I can't, I can't, I can't unsay what I said
Whoa, whoa, I want, I want, I want my goodbye back
Run right through the middle of a hurricane
Take a bullet from a gun, girl if it would change
The last word I said that made you cry
Goodbye
I want, I want, I want my goodbye back
I don't, I don't, I don't know why I said that
Whoa, whoa, why'd I let you go
You won't, you won't, you won't get out of my head
I can't, I can't, I can't unsay what I said
Whoa, whoa, I want, I want, I want my goodbye back
Yeah, I just wanna get you back
I just wanna hear that laugh
I won't ever make you sad again
I want, I want, I want my goodbye back
I don't, I don't, I don't know why I said that
Whoa, whoa, why'd I let you go
You won't, you won't, you won't get out of my head
I can't, I can't, I can't unsay what I said
Whoa, whoa, I want, I want, I want my goodbye back
Yeah, I want, I want, I want my goodbye back
