

Bonehead's Bank Holiday (demo)

Oasis

You know I need a little break
To get away for a holiday
So I can see the sun
'Cause in the sun they say it's fun
If you get some Well, I can take a train or a boat
Or an aeroplane
Or I can steal a car
'Cause in a car you can go far
It just depends what kinda car you are La, la
What kinda car you are
La, la I met a funny looking girl
On a crowded beach in Spain
Her name was Adeline
She said she came to Spain
To have a good time Now she was with her mum
Who had a face like a nun in pain
She said her name was Dot
She didn't 'alf talk a lot
I couldn't tell if she was mad or not La, la, la, la, la, la, la, la, la, la
If she was mad or not
La, la Don't you know, I should've stayed in England
On my polluted beach, with all my special friends
Don't you know, I should've stayed in England
With me big house and me big car
And all me friends there in the bar La la la, la You know I need a little break
To get away for a holiday
So I can see the sun
'Cause in the sun they say it's fun
If you get some Now I can take a train or a boat
Or an airplane
Or I can steal a car
'Cause in a car you can go far
It just depends what kinda car you are La, la
What kinda car you are?
La, la
What kinda car you are? La, la
What kinda car you are?
La, la
