

My Way

Los Lonely Boys

I don't need no fortune
I don't need no fame
That's all just an illusion
To me, it don't mean a thing, no
You can try and deceive me
But I see right through your skin
And what you're trying to tell me
Is something I don't believe in
Listen to me
Don't tell me how to live my life
Don't tell me how to pray
Don't tell me how to sing my song
Don't tell me what to say
'Cuz I believe that miracles
Happen every day
I don't care what you say
I'm gonna do it my way
You say you have all the answers
And I should do it your way
How many times do I have to tell you
I ain't no puppet on a string?
Listen to me
Don't tell me how to live my life

Don't tell me how to pray
Don't tell me how to sing my song
Don't tell me what to say
'Cuz I believe that miracles
Happen every day
I don't care what you say
I'm gonna do it my way
I'm gonna do it my way
What'd you say?
Don't tell me how to live my life
Don't tell me how to pray
Don't tell me how to sing my song
Don't tell me what to say
Don't tell me how to live my life
Don't tell me how to pray

Don't tell me how to sing my song
Don't tell me what to say
'Cuz I believe that miracles
Happen every day
I don't care what you say
I'm gonna do it my way
I'm gonna do it my way
I'm gonna do it my way, all of it
