

# Friday Night

Johnnie Taylor

Alright, I got to tell you  
I got to tell you too Friday night I was home without my baby  
I work hard keep her satisfied in every way  
I look forward to a hot meal and a warm embrace  
I could hardly wait to see a-ever loving face But the moment that I walk to the door  
There's a [Incomprehensible] got on in the middle of the floor It's a Friday night, she loves me  
Friday night, I'm a bachelor  
Friday night, my baby's gone  
Friday night, I'm all alone Friday night, a smile once cold as ice  
She forgot all the things and all of my sacrifice  
Girl, for you I walked around  
With clutches on my floor and my feet on the ground Now you can stand here and look me straight  
In the eye and tell me you're gonna put me down  
You never, oh, you really, really took me by surprised  
Told me you found another guy That was on Friday night  
If I knew [Incomprehensible], Friday night  
You left me, baby, why did you leave me?  
You know when you love me, it was gonna grieve me Let me tell you  
Somebody long to love on Monday  
Somebody long to love on Tuesday  
Wednesday, Thursday but my day was on Friday You know you took me by surprise  
You told me you found another guy That was on Friday night  
I need you on Friday night  
I'd like to be lonely  
My baby left when my ego fly  
Everybody look forward to Friday night Go and do the falcon, baby, with the one you love  
Now you're gone, I'm alone, oh, oh, baby On a Friday night, you left me here  
I don't know what to do without you, baby  
Oh no, why did you leave me?  
You could have [Incomprehensible] of doing that  
But you left me on a Friday night  
You know you got my business of thank
