

# Well Fed Slave / Hungry Free Man

[Lucky Dube](#)

Look in the eyes of the homeless man  
Tell me what you see?  
In the eyes of a jobless man  
Tell me what you see? What about the eyes of a prisoner  
What do you see?  
Now you've seen it all  
It is time to make up your mind Don't try to hide it 'cause I can see it all  
In your face, yeah  
It the same questions that I ask myself every time  
To be or not to be Do you wanna be a well fed slave or a hungry free man?  
Do you wanna be a well fed slave or a hungry free man?  
Do you wanna be a well fed slave or a hungry free man? What is the point in being free  
When you can't get no job  
What is the point in being free  
When you can't get food What is the point in going out to work  
When others can get for free  
What is the point in being free  
When you don't have no home Now you've heard it all  
It is time to make up your own mind  
To be or not to be  
Oh ho ho ho Do you wanna be a well fed slave or a hungry free man?  
Do you wanna be a well fed slave or a hungry free man?  
Do you wanna be a well fed slave or a hungry free man?
