Previously unreleased (1994)I'm tired of chasin' rainbows
I'm tired of chasin' stars
I just want us to be happy
Where we are.Is that too much to ask for
I'll ask anyway
I know what we've got
And I don't wanna throw it away.Oh yeah
Hope that all your dreams come true
I really do
Can't imagine my life without you.Oh yeah
Can't imagine my life without you
Oh yeah, without you.Got a pocket of time (got a pocket of time)
A heart full of soul (a heart full of soul)
And I wanna be with you
When I grow old.Is that too much to ask for (oh no)
In this day and age (day and age)
How can I tell you
How I don't wanna throw it away.Oh yeah
Can't imagine my life without you
Oh yeah, without you.Wow! woh!
Oh yeah.Is that too much to ask for (is that too much to ask for)
In this day and age (day and age)
Don't want it to end
Another day.Oh yeah
I hope that all your dreams come true
I really do
And I can't imagine my life without you.Oh yeah
Can't imagine my life without you
Oh yeah, without you.Without you, oh yeah
Can't imagine my life without you
Oh yeah, without you.Without you, oh yeah.
