

# I Get Along Without You Very Well

**Chet Baker**

I get along without you very well,  
Of course I do,  
Except when soft rains fall  
And drip from leaves, then I recall  
The thrill of being sheltered in you arms,  
Of course I do,  
But I get along without you very well. I've forgotten you just like I should,  
Of course I have,  
Except to hear your name or someone's laugh,  
That is the same,  
But I've forgotten you just like I should. What a guy, what a fool am I,  
To think my breaking heart could kid the moon  
What's in store, should I phone once more?  
No, it's best that I stick to my tune. I get along without you very well,  
Of course I do,  
Except perhaps in spring, but I should  
Never think of spring,  
For that would surely break my heart in two
