If You Want

J-Min

[Donell Jones](If you want)
Yeah,
(If you want)
Tonight,
I dont want you to think about none of the problems you got going on baby
(If you want)
[Bun B]Now if your man ain't lovin' u right,
You need to role with a 'G',
Get a thug in your life.
I got tha coup outside and its sittin on crome,
Baby girl you ain't gotta go home,
Yo tell it jones
[Donell Jones](If you want)
You ain't gotta leave,
You can just stay right here
(If you want)
Kiss it one time,
Promise baby I won't tell
(If you want)
Damn what your boyfriend say,
U ain't gotta go nowhere
(If you want)
Here is where you wanna be,
Sittin on top right here
Oh!, unlock your door
Girl I wanna knock it down
You know what I'm saying
I'm not playin' around
I can make u feel
Like u need to
On the bed,
We can do it every night
Don't front if your feelin' right
We can do it anyhow you want
I just want you to feel at home
(If you want)
You ain't ever gotta go home to your man,
(If you want)
You can stay here, u know that u can,

(If you want)
Girl I know you want it so bad
(If you want I got what you want, what you wanted)
Said I got what you wanted (what you wanted)
If you wanna walk around,
My house without nothin on
(If you want)
You ain't gotta ask me first,
Or hesitate to take it off
(If you want)
Damn how many times he call,
You ain't gotta get that phone
(If you want)
I know what you wanna do,
Now that we're here alone
Hey! unlock your door
Girl I wanna knock it down
You know what I'm saying
I'm not playin' around

I can make u feel
Like u need
(On the bed),
We can do it every night
Don't front if your feelin' right
We can do it anyhow you want
I just want you to feel at home
(If you want
You ain't gotta go home to your man) You ain't gotta go home
(If you want
You can stay here, you know that you can) Said baby you know that you can
(If you want
Girl I know you want it so bad)
(If you want I got what you want, you know what you want)
[Bun B](If you want)
Well u can sit back, relax and chill
Unwind and spend time with the king of the trill
(If you want)
Baby you can let down your hair
And kick off your shoes off girl, we ain't goin nowhere
(If you want)
Mommy I can make your dreams come true,
Fulfill your fantasys, whatever you wanna do
Baby girl, I ain't scared to please ya
Matta fact I'm prepared to please ya

Let me ease your body, and your mind
Let me pull you closer, and slow grind
Lookin at your figure, your so fine
Loosin my composure, in no time
I'm givin u all u want, baby all you can take
Making love till the headboard break
And shorty wanna ride with me, then let me know 'cause we ride
Just open the door and let your boy Bun slide in
[Donell Jones]Back rub (I got it)
Big tubs (I got it)
Feel good, whatever you want, oo yeah
No doubt (About it)
I'll bang (Your body)
Girl I want you to feel at home
(If you want
You ain't gotta go home to your man) You ain't gotta go home to your man
(If you want
You can stay here, you know that you can) Stay right here, my lady
(If you want) so bad
(Girl I know you want it so bad) So bad
(If you want I got what you want, you know that you want it)
(I got what you want,
U ain't gotta stress baby,
Just feel at home,
I got what you want) hit me baby
(U aint gotta stress baby,) oo
Just feel at home) aint no more stressin out baby
(If you want
You ain't gotta go home to your man) You can stay right here, my lady

(If you want) said I'm willing,
(Girl I know you want it so bad) to get down anyway you love it
(If you want I got what you want, you know that you want it)
