

Batman

Mucky Pup

Thought you were smart, you bought a whore.

Then came Batman through the door.

Instead of f*ckin that stupid slut,
you got 8 inches up your butt.

Batman!

Thought you were smart, you bought a whore.

Then came Batman through the door.

Instead of f*ckin that stupid slut,
you got 8 stitches up your butt.

Batman! Batman the Buttripper, use your butt like a can-opener,

Batman the Buttripper, use your butt like a can-opener, man.
