

August 30th

Delirious?

Thank you for the chance to live again
I will run always for you
Clouds had gathered all around my head
But these hands they lifted me
And I'll tell of this love that saved me Thank you for the chance to live again
I will run always for you
Walking closer, you are all I have
In this world, only you
And I'll tell of this love that saved me And I'll wait for this light to break
I'll come to you, yes, I'll run to you
And I'll wait for this light to break
I'll run to you, yes, I'll come to you
I'll be one with you
